Q-Partners: Following Its Own Good Advice by Deploying SAP® ERP powered by SAP HANA®

Q-Partners Consulting and Management provides consulting services to businesses ready to leap into the future with the SAP HANA® platform. The Q-Partners motto is, “We do what we advise!” So it too deployed the SAP® ERP application powered by SAP HANA to enhance key business processes. Q-Partners is also leveraging SAP HANA to power custom mobile apps, giving consultants real-time data anytime, anywhere. Plus, they can now personally testify to the wisdom of their own advice.

Q-Partners joins customers on the road to success

Consulting firm practices what it preaches with SAP HANA®

Objectives

- Efficiently manage all key business processes in real-time for sales ordering, time recording, invoicing, accounting, and controlling
- Support consultants in their daily work with self-service mobile apps
- Gain valuable business insights through faster reporting and controlling capabilities

Why SAP

- Trust and confidence in the software systems recommended to mutual customers every day
- The state-of-the-art SAP® ERP application, providing support for all the business processes of a consulting company
- Exceptional performance enhancement made possible by the SAP HANA® platform
- Ability to deploy SAP ERP powered by SAP HANA in just three months

Benefits

- Optimizes revenue management through accurate and real-time time record keeping
- Provides a high degree of automation and faster reporting, resulting in a significant reduction in administrative overhead costs
- Empowers consultants with firsthand experience in the implementation and operation of SAP ERP powered by SAP HANA

Future plans

- Deploy new applications and mobile apps powered by SAP HANA to further improve the productivity of business users
- Leverage the SAP HANA platform to develop new, real-time reporting and analysis tools that were never before possible
